Riedel Glass Workshop presented by Georg Riedel
Tuesday, June 9th, 2009 6pm Sharp
The Four Seasons Hotel/Sycamore Room
99 Union Street
206-749-7000

Please join Georg Riedel for a glass comparison tasting. You will be seated in a classroom style format and work through four different Riedel glasses and four different varietal wines where you will have the opportunity to taste from a Riedel glass and compare against a "joker" glass.

This is a one time opportunity to ask questions and hear the story of Riedel Wine glasses and why they truly make a difference.

At the completion of the tasting you will also get to keep the glasses!
